

Instructions on How to Use the All About Feral Cats PDF

You can help inform people about National Feral Cat Day by posting this PDF on your website. You may need your Webmaster to help you. Upload the PDF file to your site, and add a link to it from any page. You can name the link [All About Feral Cats \(View or download PDF\)](#) and when the viewer clicks on the link, the PDF will open in a new window as shown here.

Or, you may want to describe the information that is available on the PDF, like this:

The Simple Truth about Feral Cats and Trap, Neuter, and Return

- What are feral cats?
- What is Trap, Neuter, and Return?
- How can you help?

View or download this PDF to learn more: [All About Feral Cats](#)

Most website visitors already have Acrobat Reader or know how to view a PDF. Follow these Acrobat guidelines if you choose to offer your website visitors a free download version of Adobe Acrobat Reader:
