Eric M. Hoffman, Prosecuting Attorney
3100 S Tillotson Ave, Suite 270
Muncie, IN 47302

Dear Prosecutor Hoffman,

On behalf of Alley Cat Allies and our supporters in Delaware County, Indiana, I am writing in support of your prosecution of Brandon Michael Doolittle. Doolittle is accused of aggressively pulling a cat — named Sebastian — from under a piece of furniture and while restraining Sebastian with one hand, Doolittle struck him with the other. This incident was recorded on video and by the end of the recording, Sebastian appeared to be lifeless; Doolittle even placed Sebastian into a trash can. However, Sebastian survived this incident only to allegedly be shot to death by Doolittle days later.

Alley Cat Allies is the leading advocacy organization with a mission to protect and improve the lives of all cats and kittens. Since our founding in 1990, we have worked in communities large and small to develop humane, evidence-based policies for cats. We take strong expert action, including in court, against incidents of cruelty to cats.

We offer our support and assistance to ensure this case concludes in a manner that brings justice to the victims and sets a standard for future investigation and prosecution of animal cruelty.

Far too often, our judicial system does not adequately recognize the implications of cruelty to animals and, as a result, does not work to ensure the abusers receive a punishment that reflects the severity of the crime. To underestimate the depravity of animal cruelty and the harm it causes is to fail to recognize cats as sentient beings with inherent value who suffer and feel pain, and deserve neither. It is also a grave failure to grasp the role of cruelty to cats in the greater landscape of violence in our society.

As you may know, the link between animal cruelty and child abuse, domestic violence, and adverse mental health and community health outcomes is well established, and research has found that violence against animals is predictive of, and often co-occurring with, violence against humans. To protect us all, animals and people, it is critical to enforce our animal cruelty laws.

We understand that your office is considering whether to file criminal charges in this case. Given the circumstances, we urge quick review and we are ready and willing to support you in that effort.

Alley Cat Allies can provide legal assistance at no cost for this case. Our team includes experts in animal cruelty investigations and prosecutions who can research legal issues, provide information regarding forensic veterinarians and other expert witnesses, assist with pleadings, submit amicus curiae briefs in support of the prosecution, and even assist with trial. Please contact me to discuss how we can help.

Sincerely,

DanaMarie Pannella
